1 My course

Here is some text and more... This is very important information and is well written. Please review it very carefully and remember it all. At the end of all of this I'm going to make you take a test and you must pass with a 80% or better. If you don't, you will need to keep taking this course until you do. Don't worry though, this course has all of the information you could ever ask for and then some. Good luck and may the force be with you.

# How to customize the game pieces in the Game Board Challenge

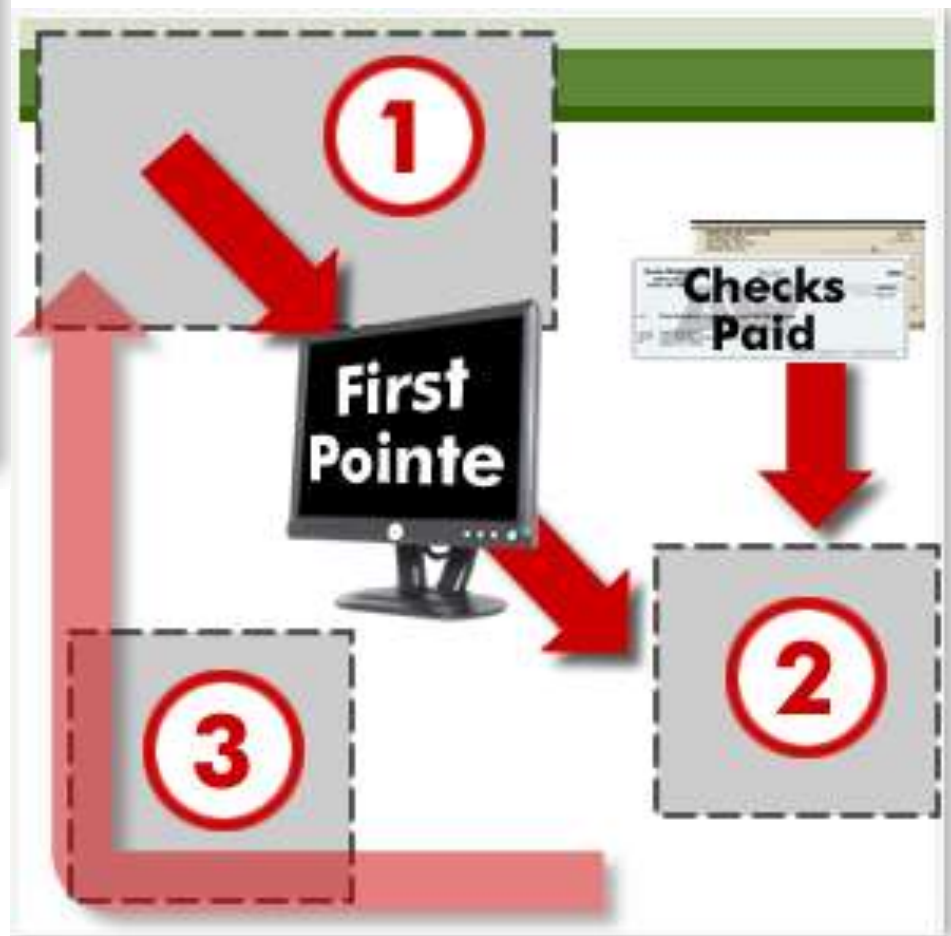

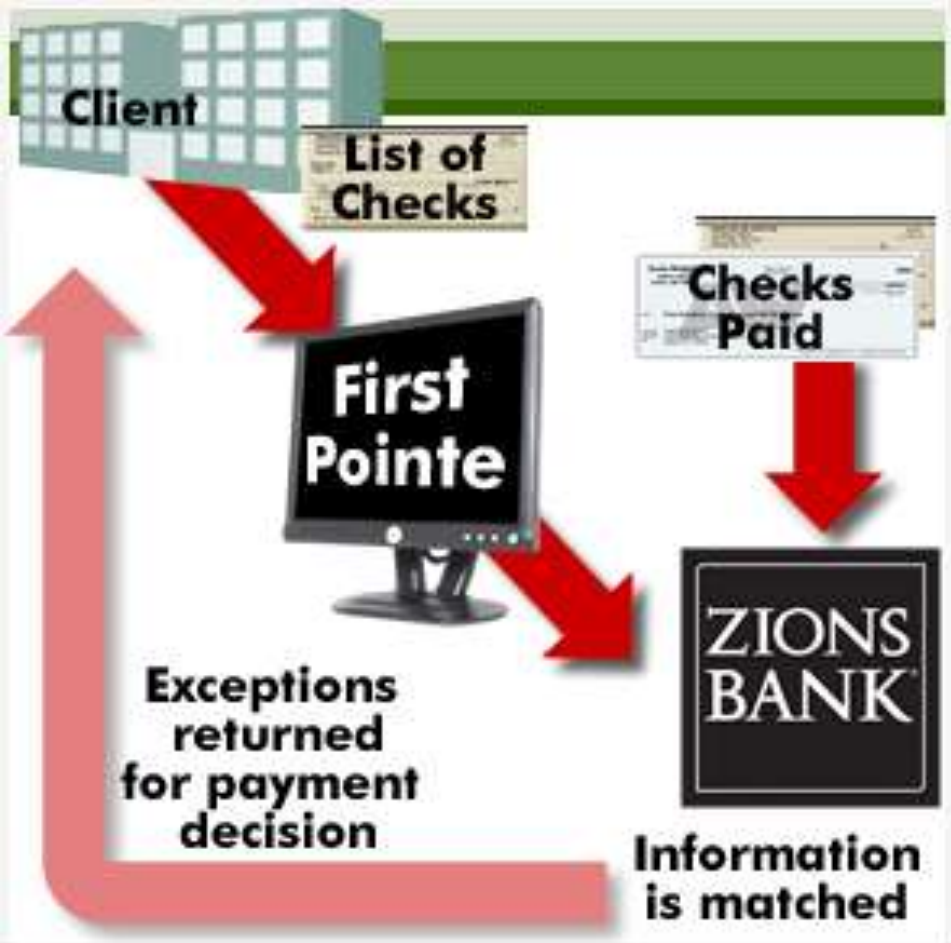

The screenshot shows a game board challenge interface. At the top, there's a 'START' button and several 'Draw a card' buttons. A central area displays 'Finish' with a blue figure icon and 'Score: 000'. Below this is a large blue banner that reads 'Board Game Challenge'. The bottom of the board features a 'GO FIVE SPACES' button, more 'Draw a card' buttons, and a 'FREE SPACE' button. A video player overlay on the right shows a man speaking. The 'elearning brothers' logo is at the bottom right of the video area.
